Located in the cozy surroundings of Ciudad Quesada, this exclusive new construction project offers a harmonious combination of modern design and Mediterranean charm. The complex has three different types of villas, each of which offers luxury and comfort down to the smallest detail. Among them, this 1 floor villa stands out for its contemporary architecture and well-thought-out layout, perfect for creating a warm and friendly home. The highlight of this villa is the 6 x 3 meter private pool, where you can relax, organize family gatherings or just enjoy the Spanish sun. These villas are fully furnished and equipped to meet all your needs as soon as you enter the house. The
