Located in the inviting area of Ciudad Quesada, this exclusive new development offers a harmonious combination of modern design and Mediterranean charm. The complex has three different types of villas, each of which offers luxury and comfort down to the smallest detail. This single-storey villa is characterized by modern architecture and a well-thought-out layout, perfect for creating a warm and friendly home. The main attraction of this villa is a private swimming pool measuring 6 x 3 meters, where you can relax, organize family gatherings or simply enjoy the Spanish sun. These villas are fully furnished and equipped to meet all your needs as soon as you
