Step inside this stunning detached villa, refurbished just three years ago. The heart of the home features a bright and spacious open-plan living, dining, and kitchen area, perfectly complemented by a cosy, working fireplace for those cooler winter evenings. New, ceiling-height windows flood the interior with natural light while providing excellent insulation. The layout flows effortlessly into a spacious master bedroom complete with its own en-suite bathroom, and, separate on the other side of the living area, two beautifully appointed bedrooms and a bathroom, offering ultimate privacy. The interior is completed by a practical laundry room and a dedicated storeroom, out the back.
