A fantastic renovation and investment opportunity in the popular area of La Florida.

This 2 bedroom, 1 bathroom ground floor apartment has been priced to sell, reflecting the fact that the property requires a full renovation throughout. It offers the perfect blank canvas for a new owner to modernise and create a property to their own taste and specification.

Ideally positioned at the end of an apartment block, the property benefits from a desirable location with direct access to the communal swimming pool, making it particularly attractive for both personal use and the rental market.
