This exquisite apartment features two spacious bedrooms and two modern bathrooms, complemented by a welcoming living room and a well-equipped kitchen. It is being sold fully furnished, complete with all essential appliances, including a washer-dryer, dishwasher, integrated ceramic cooktop, and air conditioning throughout the unit. The apartment comfortably accommodates up to six guests, with one double bed and four single beds. Benefiting from an east-facing orientation, this residence remains cool during the summer months and warm in the winter, minimising the need for air conditioning. Additionally, it is equipped with gas heating in all
